SATHYA

PUBLISHERS

A wicker basket filled with several books and a white mug with the Sathya Publishers logo. The logo is a circular emblem with the words 'SATHYA PUBLISHERS' around a central design. In the top right corner, there is a decorative geometric pattern of white lines on a dark background.

Our books have Enlightened Students with immense knowledge

Easy to comprehend & Best support during exam
preparation

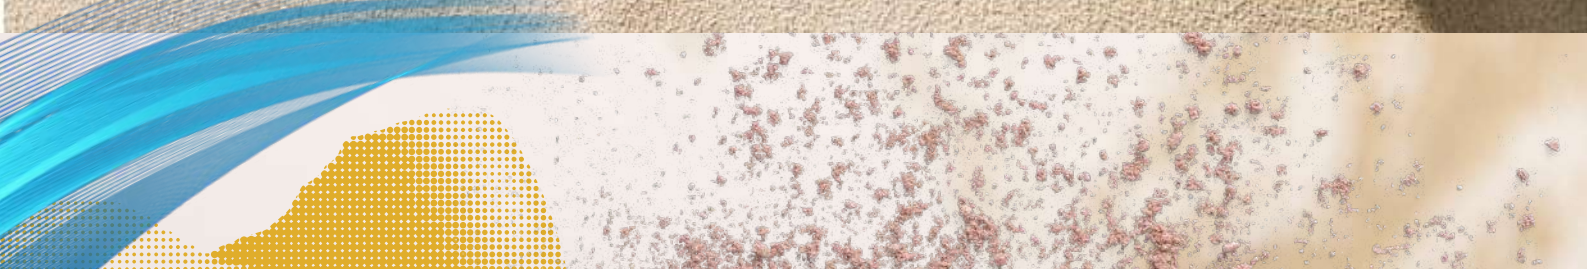

ABOUT US

We are autonomous publishers ever since 1983, well recognised by medical, Paramedical, Pharmacy, Nursing, Physiotherapy, Lab Tech Students, faculties, and Educationally institutions. Our Books are available all over India and abroad, sold by various sellers and online retailers(Amazon, Flipkart).

Dr.N.Murugesh B.Sc., M.B.B.S., M.Sc. (Med)., Ph.D., D.F., FICS., FCSM., FC Diab, - The Author of the books published by Sathya Publishers is a passionate and a renowned professional. His inspiring and meticulous work has resulted in writing over 40 books in various Medical, Pharmacy and Nursing subjects. Hard work, sincerity, consistency and Dedication have always been the driving factors for this eminent scholar.

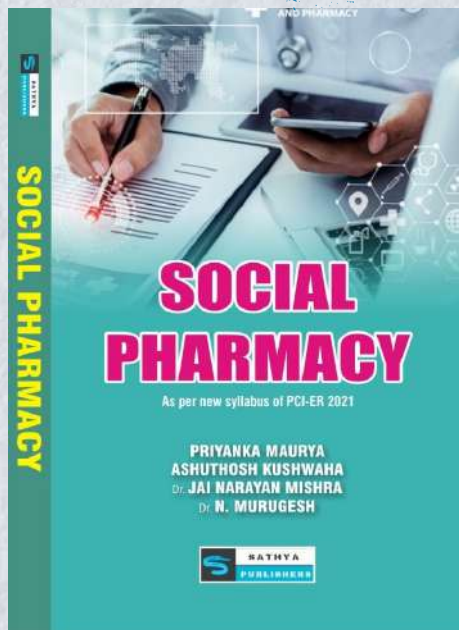

He is presently an Emeritus Professor at Tamil Nadu Dr. M. G. R. Medical University, Chennai. With over 50 years of Teaching experience as a Professor in Madurai Medical college and in a few other dental colleges, hence serving the student community with his immense knowledge, he has to his credit, 100 research publications and has presented more than 100's of research papers in various international and national conferences. He has been honored by Indian Pharmacological Society with two prestigious awards.

He has guided numerous students to attain their Ph.D. degree. Regardless of his own work, he has motivated many other authors on the related fields to partner up and work, hence present more educational textbooks for the emerging medical, paramedical professionals and students. He believes strongly in striving on the milestones he achieves throughout his career with his work. Sathya Publishers sincerely thanks all the Co-Authors who have worked in collaboration and contributed to present wonderful textbooks for the Dear Students and Medical Professionals.

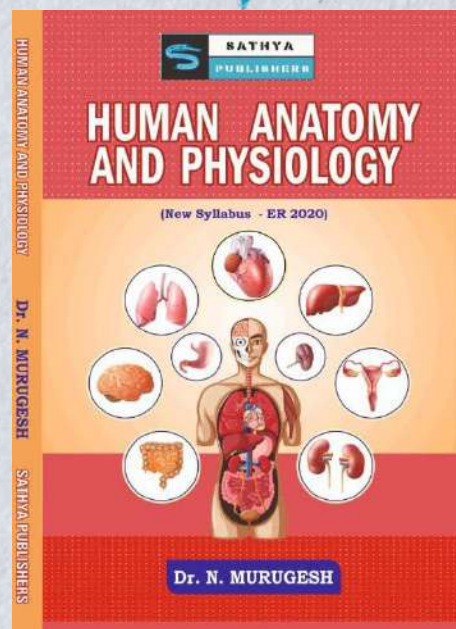

A decorative footer featuring a blue and yellow wavy pattern on the left side, transitioning into a red and white speckled pattern on the right side.
